Daycare is a cage-free service designed for social dogs to play and have fun. Safety is our main priority and goal. Therefore, **daycare is not for every dog**. It is not a place for aggressive dogs to learn how to be social. To be accepted into our daycare program, each potential daycare guest must meet these 4 requirements:

1. Complete this Daycare Application/Agreement
2. Meet our vaccination and temperament standards (must be up to date on Rabies, Distemper, and Bordetella shots. We also recommend the Canine Influenza vaccine, but it is not required. We will also allow a titres test in place of vaccination records.)
3. Be spayed or neutered.
4. Dogs must be over 6 months to attend daycare.
